## Pop Warner Football

East Boston pop Warner Football and Cheerleading is now in its 2008 season. We are a non-profit self-supporting organization. Fundraising and donations play a huge part in our survival. In the past, individuals, businesses, and organizations in our community have been very generous. If you would like to make a donation please fill out the bottom portion of this letter. On behalf of the players, cheerleaders, coaches, staff and parents we all thank you and wish you well.

Sincerely,

Nick Moulaison, Football Coordinator
